ROAD TO AN "S" STUDY GROUP

**Cohort
14**

Do you want to move to the OCPS Credential level but you're afraid of the test? This study group is for you!

ONLY 20 PEOPLE PER GROUP.

Components:

1. Eight Test prep sessions. Sessions will include some discussion, activities to engage with the material as well as sample tests
2. Individual coaching sessions to review your current education, where it fits in the content areas, and suggestions for any additional content
3. Attend OCAM trainings

Objectives:

1. Participants will be able to articulate and achieve the necessary requirements for an OCPS
2. Participants will be prepared to pass the IC&RC Prevention Examination
3. Participants will network with other professionals and gain a deeper understanding of Prevention Practice
